Scholarship Selection Criteria

In addition to the aforementioned eligibility requirements, selection will be based upon the following criteria established by the 100 Club:

A student may not receive more than one 100 Club scholarship award during any school year. The students (or their designee) receiving the scholarship awards in 2015 should prepare to attend the Schechterle Ball for an award presentation ceremony. The student will sign a scholarship contract with requirements of full-time enrollment, GPA of 2.8, transcript submission and agreement to abide by the code of conduct at the educational or vocational institution and agreement to conduct their personal life so as not to discredit the 100 Club of Arizona. Volunteer hours are required for scholarship winners – to be further explained.
