## 1<sup>st</sup> Annual Phoenix Police Associations' Charities Golf Classic

We are pleased to announce the **1<sup>st</sup> Annual Phoenix Police Associations' Charities Golf Classic** (formerly known as TAPS). After 25 years of support from dedicated sponsors and golfers we are proud to declare that TAPS has become a self-funded Charity! This allows us to support other charities in need. The newly named golf classic will benefit both **Phoenix Police Sergeants and Lieutenants Association (PPSLA) Charities** and **Phoenix Law Enforcement Association (PLEA) Charities**. This fundraiser event is to be held at the **Wigwam Resort & Spa** on **Saturday April 16th, 2016**.

**PPSLA Charities, Inc. is an IRS approved 501 (c)(3), TAX ID: 51-0603509.** PPSLA Charities provides immediate financial aid and support to Phoenix Police Officers seriously or fatally injured, as well as their families during such time of need. PPSLA Charities provides Law Enforcement Officers and Firefighters additional financial support through other charities such as The 100 Club, TAPS and The Survivor Help Network.

PPSLA Charities also supports police families in times of emergency by paying for or providing day-to-day basic services needed. PPSLA Charities supports city, state and national Police and Community charitable events with money, services and education.

**PLEA Charities is an IRS approved 501 (c) (3), TAX ID: 68-0615615** PLEA Charities provides contributions to community groups and organizations supportive of public safety. In addition, PLEA Charities promotes the positive image of law enforcement officers and seeks to enhance the quality of life in our communities.

PLEA Charities provides individuals and organizations a charitable venue to meet the needs of rank and file police officers and their families. In addition, PLEA Charities allows for compassionate contributions to be invested back into the communities, organizations, families, and individuals that law enforcement protects and serves.

Sponsorships are vital to the success of this event. We at PPSLA and PLEA would be honored to have your support for these worthy causes.

Help us Help our Men and Women in Blue who selflessly serve and protect our Communities.
